## The Summer Semester is in Full Swing

Please be sure to stop by the library and take advantage of the study rooms and resources that we have available. Can't find a book or resource? Click on inter-library loan on the [library website](#) and put in the necessary information. We can help locate what you need.

Do you need a moment to relax? Stop by the coffee room. We have a television, chess board, vending machines, and, of course, coffee. Kick back and relax awhile.

If you are feeling overloaded, maybe a nice walk on the beautiful grounds at Madonna University will refresh and invigorate you. Enjoy the beauty of nature as you stroll through the grounds.

## Featured Database: ProQuest Central

ProQuest Central brings together more than 40 databases including some of our most used databases, including ABI Inform, Nursing and Allied Health Database and Criminal Justice Database. ProQuest Central provides users with a comprehensive, diverse, and relevant multidisciplinary research collection. It provides access

to databases across all major subject areas, including business, health and medical, social sciences, arts and humanities, education, science and technology, and religion. The collection includes thousands of full-text scholarly journals, trade and professional titles, newspapers, magazines, dissertations, working papers, case studies, and market reports all together on a powerful, user-friendly platform.

Providing a clean interface and responsive design, the ProQuest platform delivers a modern research experience that guides users' discovery, access and management of rich, varied content sources. Not only are users able to read the latest full text of key journals including the Lancet, Nature, MIT Sloan Management Review, Foreign Affairs, Journal of Marriage and Family, and Journal of Business Ethics, they can stay abreast on local, national, and international news coverage including the New York Times, Wall Street Journal, Washington Post, Chicago Tribune, Financial Times, Le Monde, and The Guardian.

Be sure to take a look at [ProQuest Central](#) in the [Madonna Library database collection](#).
