In support of Preservation Week, the Madonna University Archives will offer a variety of sessions which will emphasize how to care for items both personal and business, to maintain or pass onto our family or even communities. All sessions will be held in room 2301, across from the Library. The following is a list of sessions being offered with the date and time.

- **Quick Preservation Tips** This will be a drop in session to cover such things as basic factors to consider, such as temperature, relative humidity, light, pests, mold, water leaks and risk of flooding and handling. Stop by for some brief pointers and ideas on how to best preserve your items of importance. **Monday, April 28, 3:00 - 4:30 p.m.**

- **Low-Cost Ways to Preserve Family Archives** This webinar will cover practical ways of preserving archival collections, such as family papers, photographs, cookbooks or postcards. Learn about possible risks from handling and the environment, and practical, inexpensive ideas to keep collections safe to help ensure what you have can be shared for many years to come. **Tuesday, April 29, 2:00 - 3:00 p.m. (Seating is limited. Reply to this e-mail if interested**.*)

- **Quick Preservation Tips** *(See Monday, April 28, 4:30 p.m.)* **Wednesday, April 30, 11:30 a.m. - 1:00 p.m.**

- **Preserving Scrapbooks and Making New Scrapbooks That Last** This webinar is targeted to anyone interested in learning the common problems associated with long-term preservation of scrapbooks, how to identify problem materials in older scrapbooks, what to do about them and how to identify the most stable materials and bindings for creating new scrapbooks. **Thursday, May 1, 2:00 - 3:00 p.m. (Seating is limited. Reply to this e-mail if interested**.*)
