New Coffee Room

"Today's librarian is a well-trained, technology-savvy, information expert who can enrich the learning process of any library user--from early reader to graduate student to young Web surfer to retiring senior citizen."

- American Library Association

Do you need a place to unwind while you are studying? You don't need to leave the library. We have our own place to kick back and relax. The Coffee Room is located just beyond the reference desk. Just make a right turn and you will be there. No GPS needed. We have a magazine swap, chess set, jigsaw puzzle and more. Most importantly, we have a Keurig coffee maker. Bring your own cup and coffee pod and take a moment to relax. The coffee room is open during normal library hours.

Do yourself a favor and take a moment to relax and de-stress yourself.

"A democratic society depends upon an informed and educated citizenry."

**-Thomas
Jefferson**

"Libraries allow children to ask questions about the world and find the answers. And the wonderful thing is that once a child learns to use a library, the doors to learning are always open."

-Laura Bush

Congratulations to Lauren Jones and Meghan Schaffer. They are graduating from the Nursing Program. We have enjoyed our time with these two wonderful women. Now it is time for them to help save lives.

This photo was taken when Molly, the therapy dog paid us a visit. She helps students relax during those stressful finals.

Best wishes to Lauren and Meghan. You worked hard and now you will reap the benefits.
